## SUMMER MUSIC AND ART CLASS DESCRIPTIONS

### **AWAKENINGS: 16 months – 3.5 years**

Toddlers and their caregivers are invited to sing, dance and play! Each 45-minute class is designed to explore beat, rhythms, melody, pitch and dynamics, using a variety of songs, rhythm instruments, and colorful props.

The music is integrated with body movement and an art project which enhances the musical theme of the day.

Class size limited to 10 children.

### **PATHWAYS: 3.5 - 5 years**

This is a great class, taught by a music teacher and an art teacher, which expands your child's artistic knowledge in a playful environment.

During this two hour class we will sing, move, play pitched and un-pitched percussion instruments and keyboards, learning fundamentals of musical notation. Each class includes thirty minutes of art, using a variety of media.

Outdoor play and snack time are included. Music activities and art projects change each session.

Class size limited to 14 children.

### **ADVENTURES: 5.5 - 8 years**

This 3-hour class expands and builds upon musical and artistic activities of Pathways (above), at a level appropriate for older children. Further exploration includes daily soprano recorder classes. Older children learn to read music while playing keyboards.

Each Adventures class is taught by two music teachers and one art teacher, enabling the teachers to break the class into two, smaller age-appropriate groups. Outdoor play and snack time are included. Music activities and art projects change each session.

Class size limited to 14 children.
